Dear Parents,

End-of-Year Examination (EYE)

Our P3 to P5 students will sit for the End-of-Year Examination (EYE) this term.

Assessment is integral to teaching and learning. We seek your support in reiterating our message to the students that assessment is one of the sources of feedback to help them understand their strengths and areas for growth in the respective subjects. They should thus focus on building on their strengths and closing the learning gaps when they receive their results rather than the scores after the EYE.

Details on the examination are provided below.
