Resources will also be shared to support parents and prepare your child for this transition, as well as provide important administrative instructions and announcements on the following:

- (i) the start of school preparation process
- (ii) the administrative requirements that need to be fulfilled in a timely manner
- (iii) your child's transition into P1 via the app.

To facilitate this, parents are encouraged to download the Parents Gateway app on your mobile phone (available on iOS and Android platforms only). Upon successful download, the app will guide you through a simple one-time onboarding process.

A poem which illustrates the significance of effective home-school partnership in sculpting the young mind of a child.

### Unity

I dreamed I stood in a studio  
And watched two sculptors there,  
The clay they used was a young child's mind  
And they fashioned it with care.

One was a teacher; the tools she used  
were books and music and art;  
One was a parent with a guiding hand  
and a gentle, loving heart.

And when at last their work was done  
They were proud of what they had wrought.  
For the things they had worked into the child  
Could never be sold or bought.

And each agreed she would have failed  
if she had worked alone.  
For behind the parent stood the school,  
And behind the teacher stood the home.
